

# Friends of the Berkeley Public Library

The Friends of the Berkeley Public Library are reorganizing themselves. We are looking to build the group and become visible in our community. The Friends are an independent group who advocate and support the library. We would like you to become a member of the Friends of the Berkeley Public Library. Please take a few moments to provide us with some information to assist us in further developing the group.

What are the current library services you use:

What would you like the Friends to do to enhance the library:

I have interests in the following areas and activities:

I have the following talents that I would like to share with others:

I would like to be involved with the Friends of the Berkeley Public Library:

- yes
- no
- yes, for short term projects or events
