

SUMMER READING 2024:

GROWING OUR COMMUNITY ONE STORY AT A TIME

Each year, the Berkeley PL offers a Summer Reading Program over the summer months in order to encourage our neighbors of all ages to find and enjoy great books, have informative and fun events to attend, and meet new people in the community and develop new friendships. Our theme for 2024 is 'Growing Our Community One Story at a Time' which promotes the community as it celebrates 100 years. There is no cost to participate, and completing each weekly challenge entitles you to a grand prize entry! We have great grand prizes for youth, teens, and adults. Only participants that reside in Berkeley, Illinois are eligible for grand prize drawings.
